## TRANSPORTATION BETWEEN THE HOTEL AND MEETING VENUE (ESTM)

A bus will shuttle conference participants from **Hotel Soleil** to the venue every morning and afternoon, 30 minutes before and after the meetings. You may walk from Hotel Soleil to the venue (north blue path in the map below) but it is an approximately 45 minute walk, although the scenery is breathtaking. Don't take this walk if the weather is rough, as waves will crash onto the road! Take the “city” blue path instead (60 min. walk) and enjoy a lovely “Pastel de Nata” in one of the many cafés (“Pastelaria”).

## PRESENTATIONS

Oral communications must not go over 12 minutes for presentation and 3 minutes for questions.

All presentations should be given in advance to the congress secretariat. All presenters should check their presentations ahead of time.

Posters must be placed upon arrival in the poster area (please ask the secretariat where it is). Presenting authors are asked to remain close to their poster during coffee-breaks to answer any questions from the participants.

## COFFEE-BREAKS AND LUNCHESES

Coffee-breaks are free for all attendees and will be served on the first floor, right outside the conference auditorium. Lunch is available from the school canteen and cafeteria and is paid in the moment. A few nearby cafés offer other alternatives as well.

## GALA DINNER

Saturday, the 13<sup>th</sup>, is gala dinner time, which will take place in Hotel Soleil Peniche. Be sure to bring your shark related items, as we will be auctioning shark-related goodies in our traditional “informal” fashion. All funds from the auction are used to support student travel to scientific meetings. We encourage everyone to dress “casual chick” and to bring their best dancing shoes.
